## EDUCATION

---

<b>Alva's College, Moodubidire</b>	<b>2020-2023</b>
Bachelor of Science in Computer Science	8.7 CGPA
<b>Alva's PU College, Moodubidire</b>	<b>2018-2020</b>
PCME [Electronics]	84%

## CERTIFICATIONS

- 
- [JavaScript course by freecodecamp.](#)
  - [Namaste React by Akshay Saini.](#)

## PROJECTS

### Nirvana - The Cinematic Escape | ReactJS, Redux, TailwindCSS, Firebase.

- Engineered a high-performance web application featuring advanced user authentication processes (SignUp, SignIn, SignOut) and three-language support (English, Hindi, Spanish).
- Integrated movie data from TMDb with search functionality and designed a smooth, eye-catching user interface.
- Ensured a fully responsive design for optimal user experience across all devices.

### Vidspace - Your Personal Video Hub | ReactJS, Tailwind CSS, Redux.

- Developed a web app using YouTube's API to display video data, with a search feature providing suggestions as you type, utilizing debouncing and caching to optimize performance and reduce unnecessary API calls.
- Implemented user comments on videos, a 'look-alike' live chat feature, and video suggestions based on current selections.
- Created various video sections including music, movies, news, sports, gaming, shopping, live streams etc., ensuring a fully responsive design for optimal user experience across all devices.

### Cravings - A food ordering web app | ReactJS, Redux, TailwindCSS, Express.

- Developed a food ordering app with real-time data from Swiggy's API, utilizing Redux for efficient state management and a custom CORS proxy server with Express to handle API requests.
- Implemented interactive features like an add-to-cart function, search functionality, top-rated restaurant listings, and price sorting.
- Ensured a fully responsive design for optimal user experience across all devices.

## TECHNICAL SKILLS

- 
- Web Development : JavaScript, HTML, CSS.
  - Frameworks and Libraries : React, Redux, TailwindCSS.
  - Tools and Platform : Firebase, Github, Vercel, Netlify, Render.
  - Programming Languages : C.
